---

## Front End Web Developer

#185, Vasant Vihar Ph-2 Dhakoli, Distt Mohali Punjab 140603|  
7696618991 | sharmaanish256@gmail.com | [Github](#)

## EDUCATION:

---

**2018 - 2021 | GGDSD College, Chandigarh**  
Bachelors of Science - Computer Science

## TECHNICAL SKILLS

---

- HTML CSS
- Javascript ES6
- React JS
- Axios
- Git
- OOPS
- C++
- Python

## RELEVANT PROJECTS:

---

### Crypto Dashboard

Developed a react.js web application which displays the current top 50 cryptocurrencies by market cap to view and check prices and basic information

- Made with functional components using react.js
- All the prices and data is live and fetched using multiple APIs
- Consists of a sidebar with latest news being displayed
- APIs used: Coingecko Free API, Coinmarketcap API and Coinstats API
- Currently deployed on netlify : [Link](#).

### Space Tourism Website

Developed a multi page react.js web application using assets and design provided by frontendmentors.io.

- Routing is handled using react router
- Fully responsive design with different layouts based on viewport
- Currently deployed on netlify : [Link](#)
